NAEP Overview

South Dakota Results for NAEP 2013

The National Assessment of Educational Progress (NAEP) or the "Nation's Report Card" is administered on a biannual basis to a sample of 4th and 8th graders in every state. The most recent NAEP data available are for the 2013 administration. Each student takes a portion of a reading or mathematics assessment. The NAEP results are reported for the state as well as the nation and there are no published school or district results.

For some small subgroups in South Dakota the reporting requirement is not met and therefore no data are available. Therefore, race/ethnicity and Limited English Proficiency data are not consistent across all the reports.

NAEP achievement levels are not necessarily equivalent to proficiency levels used with South Dakota's assessment, Smarter Balanced, or its former assessment, DSTEP. For more information on the mathematics and reading achievement levels go to: <http://nces.ed.gov/nationsreportcard/mathematics/achieve.asp> or <http://nces.ed.gov/nationsreportcard/reading/achieve.asp>.

Participation Rates

Participation rates for Students with Disabilities and Limited English Proficient can be found in the table below. The actual participation rates for NAEP will differ from DSTEP and Smarter Balanced rates since NAEP does not allow all the accommodations used by DSTEP or Smarter Balanced. Students taking DSTEP-A or NCSC do not participate in NAEP.

Students with Disabilities	Reading	Mathematics
Grade 4	87%	91%
Grade 8	78%	89%

Limited English Proficient	Reading	Mathematics
Grade 4	92%	98%
Grade 8	78%	91%

If there are questions about the NAEP data reported below, contact the South Dakota NAEP State Coordinator, Michael Rickert at Michael.Rickert@state.sd.us
